Subject: Information on a consignment of 3 jaguars sent in April 2008

Dear Mr. Pipis,

Mr. Menelaos Menelaou from Melios Pet Centre, Niko'sia, sent an email asking for the date of dispatch of 3 jaguars and the date of introduction of the certificate into the TRACES system.

In August 2008 we informed the Dutch authorities, that the consignment dispatched on 18.04.2008 to the Netherlands for the purpose of transport to Cyprus.
On 21.04.2008 the Dutch exporter confirmed by telephone call to the zoo of Rostock, that the 3 jaguars arrived in good health at Melios Pet Centre.

Due to our information the 3 jaguars were transported from Cyprus to Italy on 3.05.2008. One animal died on this transport.

Additionally I can inform you that the TRACES-certificate was set valid in the TRACES system on 17.04.2008.

I think this information helps and send a copy to Melios Pet Park.

Yours,
Rolf
